

BREVET PHILIPPI

INTERNATIONAL CYCLING TOURISM EVENT

(PURSUANT TO THE DEVELOPMENT RULES OF Audax Randonneurs Grece and Audax Club Parisien.
PARK PHILIPPI DISTRICT FOR THE EASTERN MACEDONIA REGION)

GENERAL CONDITIONS FOR PARTICIPATION

Park Philippi hosts the international cycling tourism event "BREVET" of 200 kilometers, which will take place in Eastern Macedonia Region, Northern Part of Greece.

What is defined as "Park Philippi"?

The "Park Philippi" project is primarily concerned with the unification and simultaneous promotion of the region known as Tenageia and Paratenageia under the umbrella of the same brand-name. The development of mutual strategic plans, actions and investments aims at the conversion of the aforementioned agri/cultural environment which depicts a region of great historical and national value into a globally recognised destination.

The historical and symbolic character of the Park.

The Philippi region represents an environment, which for the last 8,500 years serves as the host to man, his creations and activities. Amongst the mountains of Pangeo, Falakro, Menikio and Symbolo, where the lake Prasiada used to reside, there lies the fertile plain of Philippi, unique of its kind. This large chunk of land hosted several generations of men and their activities, some of whom/which became known and unparalleled throughout history.

Some brief Brevet rules

The participants shall be adults (above 18 years old) on the day of commencement and are expected to be in good physical condition.

The bicycles shall depend exclusively on manpower.

The event will take place on roads and routes open to the public. Therefore, the participants are expected to obey the applicable rules of circulation and pay regard to all road users. In case of accident the organizers are not in any way liable nor assume any responsibility. The participants are exclusively responsible for their own safety during the course of the event (Any registration is valid upon condition of submitting a relevant solemn declaration).

The participants have to complete the route in no more than 13 hours and 30 minutes in order to achieve a valid finish.

The participants are required to wear the authorized cycling helmet during the entire course of the route.

In case of cycling during night or in conditions where visibility is restricted, the participants should have attached to their bicycles a source of white light on the front and one of red light on the back. It is highly recommended that the participants have a spare source of light one for each respective part of their bicycles. The participants are required to wear a reflective jacket. Any species of reflexive equipment for both hands and legs is suggested.

Escort vehicles and any sort of external help are prohibited during the course of the route, save for the checkpoints.

In case of forfeiture, the participants should contact and inform the organizers, while the participants are responsible for moving their bicycle to the finishing line. The organizers are not under any obligation to provide any transfer service.

The participants should respect the work of the volunteers, who will be positioned in the respective checkpoints.

The participants are expected to pay due regard to the route instructions and they are exclusively responsible for saving time and kilometers, as the navigation is a pivotal part of the randonneuring.

The Greek Brevet rules and penalties are applicable.

The participants should take care of their own accommodation, nutrition and/or any other subject not mentioned in the aforementioned.

BREVET PHILIPPI

In case of any breach of the above mentioned, the participants will be directly disqualified.
